*The Internet should make life better:*

# Be the difference.

## SEPTEMBER 14–21, 2009

Join thousands of service-minded people to take action to better our community, our world, our Web.

### Want to Help?

Do you write, design, program or develop? Use your skills to make a serious difference in people's lives.

### Need Help?

Are you part of an organization or group in need of some technical assistance? *We can help.*

Ready to make a difference? Get started at:
